

01st July 2024

Subject: Network Studies using ETAP

This is to certify that; we had appointed M/S Agile Technical & CONSULTANCY for providing Power System Studies for client via purchase order number “ENQ-005-24” for a client in Japan. The services covered the scope/TORs in terms of,

- Short Circuit Study
- Load Flow Study.
- Harmonic Analysis
- Discrimination Modelling.
- Report on findings and recommendations

We are pleased to certify that the Power System Studies Services have been successfully completed by M/S Agile Technical & CONSULTANCY to our expectations.

Sincerely,

A handwritten signature in blue ink is positioned to the left of a circular blue ink stamp. The stamp contains the word 'ENERGENIQ' at the top and bottom, with a star on the right side.
